

March 3, 2018

Dear City of Davis City Council,

This letter is in support of F Street Dispensary's application to open and operate a cannabis dispensary at 416 F Street. My own business, Maverick Consulting Services is located at 430 F Street, two properties north of the proposed dispensary site.

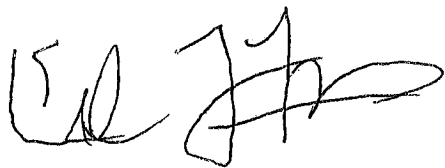

Recently, a letter was circulated around the neighborhood in opposition to F Street Dispensary and their proposed operations. I and other F Street Businesses do not believe a dispensary on our block will create the issues outlined in their opposition letter.

Through the extensive outreach efforts of F Street Dispensary owners Rob and Mike Read, I have spoken with them numerous times. They have gone to great lengths to educate me on their well thought out dispensary plans and impactful community benefit program. It is our position that:

- 416 F Street is an ideal location for a cannabis dispensary in downtown Davis.
- F Street Dispensary customers may become customers of other nearby businesses as dispensary customers frequent the area and learn of local services.
- F Street Dispensary will have adequate security measures in place to limit security concerns stemming from their operations.
- F Street Dispensary's customers will not create additional parking or traffic issues on F Street for automobiles or bicyclists.
- F Street Dispensary will not increase loitering in the area by their customers or homeless individuals.
- F Street Dispensary will have adequate staffing during their peak business times to avoid long lines forming onto the street or sidewalk.

We look forward to F Street Dispensary joining the neighborhood of great businesses and business owners.

Sincerely,

A handwritten signature in black ink, appearing to read 'Evan Treseder', written over a horizontal line.

Evan Treseder

Dear Davis City Council,

I would like to announce my support and endorsement for Rob and Mike Read to open their proposed cannabis dispensary **close to my business** in Davis, California.

I support the proposed location of F Street Dispensary at 416 F Street, which is a suitable location in Downtown Davis for a small retail cannabis dispensary. With the dispensary's onsite parking and planned efforts to guide patients and clients to parking structures, I am confident that their operations will not create traffic congestion or additional parking issues in Downtown Davis. Most importantly, I believe the planned dispensary operations adequately establish safety measures to mitigate loitering and crime in the surrounding area.

Rob and Mike Read are also established business operators who have grown up in Davis and have vested interests in the community's well-being. I am confident they will successfully and responsibly operate a retail cannabis dispensary in Davis.

Sincerely,

Date 2/26/18

City of Davis City Council

Dear Councilmembers

I am enthusiastically in support of Rob and Mike Read's efforts to establish a dispensary on F street. I think that it is a very good location for such a service, and I hope you see through to granting his application

I have worked with Rob in my last startup company, and also consider him a friend. One of the things that I that has most impressed me with Rob is his high level of integrity: He does what is right for the sake of doing what is right. I think that is the kind of character that we need for providers of this kind of service in our town.

I also feel that it is important that the dispensary franchises in this town go to people who care about this city and are engaged and invested in the community. Rob and Mike fit that bill perfectly, and I am strongly in support of their plan to start a dispensary downtown.

Sincerely,

Timothy Keller

To Whom It May Concern:

The application for F Street Dispensary to open a cannabis dispensary at 416 F Street has my entire family's full support. We have known the owners Rob Read, Mike Read, and their entire Davis family for a number of years. Those who know the Reads know a family who is on a mission to serve and better the community we live in.

The Read brothers have put together a comprehensive operations plan to serve local patients who use cannabis. They will also have education seminars and discount programs for veterans, which I am 100% in support of. If approved, the Reads will run a successful business with the community's benefit at heart.

Their location has a stand-alone building in a great part of downtown Davis, which is not next to any bars. I have been working, driving, and parking in downtown Davis since 2004, and know the congestion points well. 416 F Street being on the northern edge of downtown will not exacerbate the most backed up areas of downtown for entry and exit. Additional customers in downtown that the dispensary will bring will naturally be a benefit to those business located around or on the way to 416 F Street.

The Read's centrally located property, degree of community outreach, thorough dispensary operational plan, and commitment to providing impactful community benefits are just a few of the reasons why their dispensary application should be approved.

Thank you,

Carrie Leamon
5105 Glide Dr., Davis

February 20, 2018

Dear City of Davis City Council,

F Street Dispensary has applied to open a marijuana dispensary in the old location of Gold Lion jewelry store at 416 F Street. I remember the jewelry store well and the great owners who ran it. Since the F Street neighborhood has already had a business with high value products and security needs, it is not a significant change for a dispensary to be located at this location. Today, the property is surrounded by banks and has a jewelry store just a stone throw away on 5th Street.

I spoke with the owners of F Street Dispensary Mike and Rob Read when I attended an open house at their location. After a great tour, I left inspired by their patient focused, community centric business model. I also am fully supportive of the fact that the dispensary will be 100% locally owned. The Reads are already a family of small businesses in town, and are a large contributor to the Davis community.

As a Veteran, I am especially grateful for F Street Dispensary's targeted plan to educate service members on the medicinal uses of cannabis. Adding to this, they will also provide discounts to Veterans. I am fully supportive of their focus to support military service members and their families.

No other dispensary appears to have the deep roots that the Reads do in Davis, and I believe they will operate a dispensary with the community's wellbeing at the forefront of their operations. For that reason, the reasons listed above, and many others, I believe F Street Dispensary should be selected to open one of the new dispensaries in Davis. We need strong leaders who will ensure this big change of legal marijuana sales in our town is done with Davis' best interests at heart.

Sincerely,

A handwritten signature in black ink that reads "Ryan Dodd". The signature is written in a cursive, flowing style.

To whom it may concern,

I have been a member of the Davis community since the early 80s and am extremely proud of my Davis roots. Davis to me, has always been first and foremost, a community of exceptional individuals. Of the many gifted Davisites I grew up with, Rob Read is one of my favorites.

Rob is a caring, intelligent, and fun individual who brings life and energy into lives of people he interacts with. He is a Davis local and homeowner, and is sending his daughter to the same schools he went to in town. Rob is a man known to be beyond ethical reproach. In addition to being a great individual, Rob's love of Davis is rivaled only by his hard work and business acumen. I am confident he will make Davis proud in his operation of a legal cannabis dispensary.

The property Rob has secured for dispensary operations is in an excellent location downtown with ample on-site parking. F Street Dispensary's plans include robust community benefits that will make a positive difference in Davis. Of equal importance, F street Dispensary will be owned and operated by Rob, and his older brother Mike, who have a vested interest in our community's welfare.

Rob Read is Davis, and he has my confidence to be an even greater attribute to our community through the opening and operating of F Street Dispensary.

Sincerely,

A handwritten signature in black ink that reads "Jesse Gray". The signature is written in a cursive, flowing style with a long horizontal stroke extending to the right.

Dear Davis City Council,

I would like to announce my support and endorsement for Rob and Mike Read to open their proposed cannabis dispensary **close to my residence** in Davis, California.

I support the proposed location of F Street Dispensary at 416 F Street, which is a suitable location in Downtown Davis for a small retail cannabis dispensary. With the dispensary's onsite parking and planned efforts to guide patients and clients to parking structures, I am confident that their operations will not create traffic congestion or additional parking issues in Downtown Davis. Most importantly, I believe the planned dispensary operations adequately establish safety measures to mitigate loitering and crime in the surrounding area.

Rob and Mike Read are also established business operators who have grown up in Davis and have vested interests in the community's well-being. I am confident they will successfully and responsibly operate a retail cannabis dispensary in Davis.

Sincerely,

Date 3/5/18
